Hello Mr. Flores,

I am sending a follow up e-mail on behalf of Marc Tavakoli regarding a letter of support from the LAPD sent to you regarding changing the parking restrictions on South Westmoreland Ave. adjacent to his business at 2377 W. Pico Blvd <<https://maps.google.com/?q=2377+W.+Pico+Blvd&entry=gmail&source=g>> .

The current parking restrictions which has removed the ability of patrons to park next his business is negatively impacting the business's operations and if there is anything that you may require of me to help facilitate the changing of the restrictions please do not hesitate to ask for my assistance.

If you have any question you can contact me at the provided phone or e-mail address.

Ricardo –

How are you? I hope you are having a good weekend. I wanted to follow up with you please regarding the red curb on Westmoreland just north of Pico. Have you received the letter you needed from the LAPD? Is there ANYTHING I can do to help move the process forward? This lack of parking is severely hurting my business and causing customers to park further north in the residential areas. I appreciate anything you can please do to speed up this process and get the curb changed to 2-hour parking.

Thank you very much.
